Personal Statement

Fleur has been working in the dance and theatrical industries for over 18 years, originally as a trained, professional dancer. Her work as a performer led her into choreography, and a natural flair and passion for organisation and project management then led her into assisting and then production roles. She thrives on a busy schedule and the day to day juggling of the many requirements a busy project brings.

Qualifications

BA (Hons) Theatre Dance - London Studio Centre , 'Intoto' dance company

Arts Administration (intermediate) - from City Lit, London

Member of 'The Network Reveals'
